

FUNNY TRAVEL STORY

Character:	Me and my classmates
Setting:	Vilnius Airport
Problem:	Passport stolen
Paragraph 1: set the scene (who, where, when, why, who with, etc.)	Last month, I had a trip to Lithuania, to Vilnius with my classmates. It was a nice and enjoyable trip, I slept all the time through the trip.
Paragraph 2: events leading to the climax (the main event in the story)	Once I arrived at the Vilnius airport, we claimed our luggage and went to the bar for a snack and a drink. Panic! I realized my wallet was disappeared and the passport with it. I didn't know what to do, I looked everywhere in my backpack; but nothing. Passport was gone. No chance!
Paragraph 3: the main event, solving the problem.	I left the airport in a hurry. I immediately went to the local police, to report the theft, because I was sure that my wallet had been stolen. And now the fun begins, despite the situation was tragic, it took half an hour to let the policeman understand what had really happened. Because of the language. We couldn't understand each other. Lithuanian language was difficult to understand. After a while they understood and told me they would have worked on it.
Paragraph 4: the end (how the problem was solved, feeling)	After two days they called me to tell me that they had found it, just the passport and not the wallet. And I was immediately returned to me. It has been a bad experience because I would not have been able to go home without my passport. Despite everything, it was a nice trip. In fact, I tasted many typical foods and I had a lot of fun with my friends. It was a journey I will always remember.
